**Federal Student Loan Debt**

Calendar Year	Most recent three year cohort default rate, as reported by the United States Department of Education.**	The percentage of enrolled students in 20/20 receiving federal student loans to pay for this program.	The percentage of graduates in 20/20 who took out federal student loans to pay for this program.	The average amount of federal student loan debt of 20/20 graduates who took out federal student loans at this institution.
2019	0	0	0	0
2020	0	0	0	0
2021	0	0	0	0
2022	0	0	0	0

\*\*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Students at California Health Sciences University, College of Osteopathic Medicine are not eligible for federal student loans. At this time, the Program does not meet the U.S. Department of Education criteria that would allow its students to participate in federal student aid programs. CHSU expects to be able to report data on this criterion beginning 07/01/2024.
