GRADUATION REQUIREMENTS

In order to graduate from CHSU, a student is required to satisfy all applicable program degree graduation requirements during the year of degree conferral. **PROCEDURES**

CHSU conducts an annual commencement ceremony to officially award degrees, after the conclusion of the Spring semester, which may be virtual or in person at the sole discretion of the University. The conferral date is the date of the commencement ceremony which is posted on the diploma and on the official transcript, subject to final verification on completion of degree requirements by the Office of the Registrar.

Students who have not satisfied all requirements of the degree prior to the commencement ceremony may participate in the commencement ceremony if requirements are reasonably expected by the Dean/Director (or designee) to be completed within the next few weeks following the graduation ceremony and who have been recommended by the voting faculty as described above. The conferral date will be posted upon successful completion of pending degree requirement(s).

RELATED PROCEDURES

The CHSU Board of Trustees approved the following procedure in August 2023 concerning conferral of degrees to students:

The process for conferral of degrees to students will follow the established procedure under which:
(i) Students file an Application to Graduate form with the Office of the Registrar;
(ii) the Office of the Registrar audits academic records to ensure that all requirements for the applicable academic degree have been satisfactorily completed;
(iii) the Office of the Registrar prepares a list of students who have successfully completed the applicable degree requirements for review by the voting faculty of each college;
(iv) the list is submitted for review by the voting faculty of the applicable college; and
(v) the Dean/Director, on behalf of the faculty, forwards the list of students who have been recommended by the faculty for graduation to the President and Board of Trustees for approval.

It may not be feasible for the Board of Trustees to approve all of the recommended candidates for degrees. Therefore, the Board of Trustees has delegated authority to act on the Board’s behalf in approving the faculty recommendation on conferral of degrees to CHSU’s President, provided that (1) all such students have satisfactorily completed the academic and other requirements of the applicable College; and (2) the President must submit the final list of students upon whom degrees were conferred to the Board of Trustees at its next meeting for ratification.
