*= This Program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program was approved by the California Bureau of Private Postsecondary Education (“BPPE”) on 04/03/2019. As of 06/01/2025, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT’S RIGHT TO CANCEL

Taken from the CHSU 2022 – 2023 enrollment agreement

1. A student has the right to cancel their enrollment agreement and obtain a refund of all charges paid through attendance at the first class session or the seventh day after enrollment, whichever is later, less the nonrefundable two-hundred and fifty dollars (\$250). If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Cancellation of this agreement can occur up to 07 / 25 / 2022.

2. A student who formally withdraws from CHSU prior to the completion of 60 percent of the semester, but after the seventh day of enrollment, is entitled to a pro-rated refund of unearned institutional charges (i.e., tuition and refundable fees) as described in California Education Code 94920. A student who withdraws after completion of 60 percent of the semester is not entitled to any refund. CHSU shall also provide a pro-rata refund of non-federal student financial aid program monies paid for institutional charges to students who have completed sixty percent (60%) or less of the period of attendance. A student who withdraws after completion of sixty percent (60%) of the semester is not entitled to any refunds.

3. The following formula can be used as an example to calculate the refund:

a. Total days in current semester – Days in current semester completed = Total days not completed

b. Total days not completed/Total days in current semester = % of pro-rata refund

c. (Institutional charges* x % of pro-rata refund) – Non-refundable fees** = Total refund owed

*Unearned institutional charges in the pro-rata refund include current semester tuition.

**Non-refundable fees and charges are: (1) all non-refundable fees; (2) Student Tuition Recovery Fund fee; and (3) student health insurance premium, if applicable.

Students are not entitled to reimbursement of any outstanding charges that the student has not yet paid to the University.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- a. To formally withdraw from the program, the student provides written notice of cancellation, or as of the date of the student’s withdrawal, whichever is later.

120 N. Clovis Ave – Clovis, CA 93612

(550) 325-3600 www.chsu.edu

i. If notification is sent by mail, it is effective when deposited in the mail properly addressed with proper postage. Cancellation may occur when the student provides a written notice of cancellation at the following address: California Health Sciences University 120 N. Clovis Ave Clovis, CA 93612. This can be done by mail or by hand delivery.

ii. The written notice of cancellation need not take any particular form and however expressed; it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

iii. If the Enrollment Agreement is cancelled the school will refund the student any money, he/she paid, less a registration or administration fee not to exceed \$250.00, and less any deduction for equipment not returned in good condition, within 45 days after the notice of cancellation is received.

b. The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligation to the school.

Once all calculations are complete, the Business Office will bill or refund the student for any outstanding balance. When the University has assessed charges in error, a full credit and/or refund of the charges will be made.
