

# SAVE THE DATE

## CHSU Research Day

**Saturday,  
May 20, 2023**

**8am-1pm**

**California Health Sciences University,  
2500 Alluvial Avenue, Clovis, CA 93611**

*Eyad Almasri, MD,  
Professor and Director of Research,  
UCSF School of Medicine*

*Antonio Zamorano, DO,  
Medical Director of  
Whole Family Health*

The event will showcase the research and scholarly activities by our students and faculty members. In addition, Resident Physicians/Pharmacists and their Faculty leading local Residency and Fellowship programs are invited to participate. As part of this event, a competition will be held for the best poster and podium presentation in various categories.

**Abstract Submission Deadline: May 8, 2023**

Resident Physicians/Pharmacists, Students, Faculty, Researchers, Clinicians and Residency and Fellowship programs are invited to participate.

- **Free Admission with Registration**
- **Awards for Best Posters and Presentations**
