## Campus Hazing Transparency Report

**Reporting Period: January – July 2026**

**Issued by:** College of Osteopathic Medicine and College of Biosciences and Health Professions, Offices of Student Affairs

**Last Updated: June 30, 2026**

### Overview

In accordance with the **Stop Campus Hazing Act, California Anti-Hazing Law, and CHSU's Anti Hazing Act Policy**, this report provides a summary of all substantiated hazing incidents involving students or student organizations that were investigated and adjudicated through formal College proceedings. This report is intended to promote transparency, accountability, and student safety and is updated annually.

For each substantiated hazing incident below is the following information:

- The name of the student or student organization;
- The date the investigation was initiated;
- The date on which the investigation ended with a finding that a violation occurred;
- A description of the incident or incidents, including the date of the initial violation, and the violations, findings, and sanctions placed on the student or student organization;
- The details of the sanction or sanctions imposed, including the beginning and end dates of the sanction or sanctions; and
- The date that the student or student organization was charged with a violation.

### Summary of Substantiated Hazing Incidents

Name Student or Student Organization	Date Investigation Initiated	Date Investigation Ended	Description of Violation	Outcome/Sanctions Status	Date Violation Charged
No reports submitted					

## Notes

- This report includes only incidents that were investigated and found to violate CHSU's Anti Hazing Act Policy.
- Reports are maintained for at least five years from the date of resolution.
- This document is updated annually and published on the University's public-facing website.
- This document is maintained and published in addition to the University's reporting requirements under the Clery Act.
- The date that the student or student organization was charged with a violation.

## Prevention and Education

California Health Sciences University offers hazing prevention training to all students and advisors annually.
