Anatomy Faculty, College of Osteopathic Medicine – Biomedical Education

The Biomedical Education Department at California Health Sciences University's new College of Osteopathic Medicine seeks full-time faculty to teach anatomy to first and second-year medical students.

Chair of Biomedical Education

Full-Time, Exempt

- All faculty are expected to contribute to the teaching load of the Department. The amount of teaching will be negotiated annually with the Department Chair.
- Responsibilities:
 - Curriculum development and delivery;
 - Learner and curriculum assessment;
 - Learner advising and interviewing;
 - Research agenda development;
 - Engagement and contribution to scholarly activities;
 - Active participation on College Committees;
- The COM makes extensive use of Team-Based Learning (TBL) throughout the curriculum, and all faculty will be trained to become proficient with this methodology.
- Other duties as assigned.

Education

- A PhD, DO, or MD, and a demonstrated commitment to excellence in teaching are required.

Skills & Experience

- Applicants at all ranks will be considered.
- Expertise in human anatomy.
- Ability to communicate effectively, verbally and in writing, with students, faculty, administrators, patients, and other health professionals.
- Adept at organizing complex scientific and professional subject matter and designing instructional strategies that make the material easier to understand and apply.
- Skilled in using computer software, such as Microsoft Word, Excel, and PowerPoint.
- Ability to use electronic and internet educational and professional resource.
- Strong critical thinking skills and the ability to function effectively and collaboratively in an interprofessional patient care environment.
- Experience in teaching in medical education with a team-based learning format.

Position offers competitive wage based on experience plus benefits.

Application Instructions

Interested candidates are to electronically submit a letter of interest, a detailed resume and the names, titles, addresses, and telephone numbers of at least (3) professional references who may be contacted. Please send a completed package electronically to careers@chsu.edu and type **Anatomy Faculty** in the subject field of the email.
