#### Opportunities in Academia

<b>12:00 PM</b> — to — <b>1:00 PM</b>	<b>Career Opportunity Presentations</b>
<b>1:00 PM</b> — to — <b>2:00 PM</b>	<b>Lunch and Presenter Information Tables</b>

The purpose of this event is for first year pharmacy students to hear from potential employers about short-term and long-term career opportunities in the field of pharmacy.

Representatives of large pharmacies, a local hospital pharmacy, and CHSU's own Dr. Havard will discuss such things as:

- **Typical career opportunities (especially those in the Central Valley) – Internships (paid and unpaid) and Professional careers;**
- **Average salary ranges and benefits for new hires and advanced positions and earning potential for independent pharmacists;**
- **Opportunities for advancement within an organization;**
- **Traits of successful candidates.**

Upon conclusion of the individual presentations, ample time will be allotted for individual questions to each presenter at their respective tables. Lunch will be available during this time.
