

Independent Study Electives Form Directed Study Series: IND 2991 – IND 2996

The Independent Studies Electives provides students during the OMS-IV year of the program an opportunity to build additional competencies and strengthen their knowledge base in medicine. There are six independent study options offered ranging from 1 to 4 credit hours. The independent study options and credit hours are listed below.

INSTRUCTIONS:

1. Indicate which independent study course you prefer. **(Maximum of 4.0 credit hours allowed)**
2. Consult with the course director for approval to take this course and required signature.
3. Contact your Clinical Affairs Coordinator to give you access to the course and schedule the course in CORE ELMS.
4. Submit the completed signed form to the Office of the Registrar to process your request.

COURSE SPECIFICS:

- Student must be in good academic standing and not on academic probation.
- Independent Study Elective Course can be taken as a stand-alone or longitudinal/concurrent simultaneously with other OMS-IV course and must be completed in the same academic semester.
- 1 (one) credit unit is assigned for each 15.0 clock hours completed.
- Grading is Pass/Non-Pass. Upon completion of course, the course director will submit the final grade to the Registrar's Office.

Complete the following:

Student Name: _____

Student ID#: _____ CHSU e-mail: _____ Class of: _____
