

Know Your Health Savings Account Eligible and Ineligible Expenses

Maximize the Value of Your Savings Account - Your Health Savings Account (HSA) dollars can be used for a variety of out-of-pocket health care expenses that qualify as federal income tax deductions under Section 213(d) of the Internal Revenue Code ("IRC"). Health Spending Accounts can be used to reimburse you for medical and dental expenses incurred by you, your spouse or eligible dependents.

IMPORTANT: If you are unsure of what your HSA dollars may be used for, please contact your Plan Administrator. The following is a list of expenses currently eligible and not eligible by the Internal Revenue Service ("IRS") as deductible medical expenses. This list is not necessarily inclusive or exclusive, and may be subject to change based on regulations, IRS revenue rulings and case law. It is solely based on our current interpretation of IRC Section 213(d) and is not intended to be legal advice.
