

Job Title:**Osteopathic Manipulative Medicine -- Faculty positions****Job Description:**

The Osteopathic Manipulative Medicine (OMM) faculty in the proposed College of Osteopathic Medicine (COM) assures osteopathic philosophy, osteopathic principles, and the osteopathic tenets are taught broadly throughout the curriculum. The primary responsibilities involve teaching osteopathic medical students the tenets, principles, and practices of osteopathic medicine. This occurs primarily within the OMM courses of the 1st and 2nd years, as well the development of an integrated osteopathic curriculum for delivery in the 3rd and 4th years.

Reports to:**OMM Department Chair****Classification:****Full-time, Exempt****Essential Duties:**

- Approximately 80% time and effort devoted to delivering instruction in first and second year medical student curriculum and to providing service (committee responsibilities, student mentoring, interviewing, etc.). Additional time dedicated to 3rd and 4th year required elements. Work collaboratively with other faculty members to deliver and improve the integrated and interdisciplinary osteopathic medical curriculum in all 4 years. Work collaboratively with OMM student fellows to help grow a cadre of scholars.
- Approximately 20% time devoted to scholarly activity and optional clinical activity:
 - ◊ Participate in educational research activities.
 - ◊ Provide supervision of medical students and their scholarly projects.

**Qualifications/
Education:****Minimum Qualifications:**

- Board certified in any specialty, with significant experience and comfort teaching OMM/OPP.
- Licensed to practice in any state and ability to be fully licensed in California.

Preferred Qualifications

- Experience in teaching foundational concepts relevant to osteopathic medical education.
- Experience using innovative teaching methods which include team-based learning, flipped classroom and proficiency in COMLEX exam item writing.
