

# CHSU/CVS Próspero Program

# pathway to *Pharmacy* Careers

The CHSU/CVS Health Próspero Program: Pathway to Pharmacy Careers is open to 11th and 12th grade high school students and undergraduate college students. Participants receive clinical experiences, education, and mentoring to help them prepare for a career in pharmacy or health care and to help serve the Hispanic/Latino community. This free 5 year program accepts up to 20 new students a year and provides valuable experience, support and training in preparation for the Doctor of Pharmacy program at California Health Sciences University.

## Benefits of participating in the program include:

- Priority Admission to CHSU College of Pharmacy
- Free Classes Offered at CHSU:
  - PEARL - Leadership and Lifelong Learning
  - Conversational Spanish
- Clinical Skills Training, Experiences, and Certifications
- Mentoring from Pharmacists and Student Pharmacists
- Volunteer and Community Service Opportunities
- Shadowing in CHSU Classes and local Pharmacies
- Writing, Interview, and Presentation Skills Training
- Internship and Job Placement Opportunities
